1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer for over 40 years

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Their request is outrageous. They have done very little to maintain the facilities over the years, have polluted Lake Wylie and now want to "rape" their customers. They should not be given an increase, but on the contrary they should be heavily fined and forced to sell the system to the City of Tega Cay for what it is actually worth and not for the outrageous amount they have requested in the past when the City has been interested in buying it.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Not at this time.
